

JMB Insurance Expands Private Equity and Real Estate Groups With Addition of Ben Kanter

Kanter Brings a Focused Approach to Meeting the Unique Needs of Clients

Chicago IL - October 18, 2017 - [JMB Insurance](#), a leading risk management services and insurance brokerage, today announced that Ben Kanter has joined the firm as a producer to work with its rapidly expanding Private Equity and Real Estate groups. In this role, Kanter will be responsible for the development and acquisition of new brokerage clients.

“Ben brings more than 15 years of financial services experience to JMB Insurance. Prior to joining the firm, he was a trader at the Chicago Mercantile Exchange. During his tenure there, he built and managed a successful Commodities Trading business, devising and executing trading strategies for a diverse portfolio of products,” shared Ken Sacks, Co-CEO of JMB Insurance.

“He is a great addition to our team. His business experience, strong interpersonal skills and understanding of risk management are great assets. We look forward to Ben making great contributions to his clients and our firm,” commented Matt Horwitch, Co-CEO of JMBI.
